SUPERHERO CAMP! JULY 29TH-AUGUST 2ND

Do you have what it takes to save the world? Train to be the superhero you were meant to be! Save the world from evil everywhere in this interactive and high energy camp. The training combines cooperative games, team building activities, educational enrichment activities, and crafts to ensure your powers will be supreme! Each camper designs and creates their own cape & mask, too!

SCIENTISTS IN TRAINING AUGUST 5TH-AUGUST 9TH

Take a dash of engineering and a sprinkle of earth science, toss it together with some fun and games, and you have a STEAM-based camp. Our future Scientists will explore different worlds of science through take home creations. We'll provide necessary equipment and safety gear!

KIDS ON THE RUN! AUGUST 12TH-AUGUST 16TH

Run, run, run, as fast as you can for a camp full of fitness and fun! Don't let the name fool you, we will not be just running, we will play games, have team competitions, and a whirlwind of fun! All while learning the benefits of fitness and healthy living. *Healthy snacks provided!

ROCKETS, PLANES & ALL FLYING THINGS! AUGUST 19TH-AUGUST 23RD

Watch it soar, see it glide, come take an imaginary ride. We will create rockets, test gliders, and soar to the moon through art, stories, and lots of play! Our adventures will sharpen your imagination, kick start your motor skills and ignite a passion for flying!

A LITTLE BIT OF EVERYTHING!

This week we'll be doing a little bit from each week of camp. We'll explore into the world of Lego building, Dinosaurs, Science, and much more! Campers will have hand on activities and crafts every day. The perfect ending to a fun summer! (Big kids may join if they don't want to participate in sewing)

MISSION IMPOSSIBLE! JULY 29TH-AUGUST 2ND

Does your child love mysteries and riddles? Then this a perfect camp week! During this camp, your child will take on the identity of a detective. Working as a team, campers will participate in Scavenger hunts to discover hidden clues and riddles across Cabin Fever play areas. Plus, your child will learn how to create their own secret code while deciphering others.

SCIENTISTS IN TRAINING AUGUST 5TH-AUGUST 9TH

Take a dash of engineering and a sprinkle of earth science, toss it together with some fun and games, and you have a STEAM-based camp. Our future Scientists will explore different worlds of science through take home creations. We'll provide necessary equipment and safety gear! We'll even create our own S'mores snack with a DIY Solar Oven! *We will be outside, please bring sunscreen.

JUNIOR BUILDER'S ACADEMY! AUGUST 12TH-AUGUST 16TH

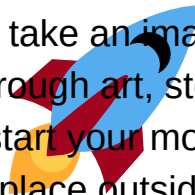

In this camp, children will have the opportunity to learn the basic concepts of woodworking while building self confidence, and offering a skill set! Campers will complete simple projects, to customize, and take home.

*Please Note: Children will only use hand tools, no power tools.

ROCKETS, PLANES & ALL FLYING THINGS! AUGUST 19TH-AUGUST 23RD

Watch it soar, see it glide, come take an imaginary ride. We will create rockets, test gliders, and soar to the moon through art, stories, and lots of play! Our adventures will sharpen your imagination, kick start your motor skills and ignite a passion for flying! *A portion of this camp will take place outside. Please bring sunscreen!

SEW HAPPY! AUGUST 26TH-AUGUST 30TH

Sewing is a great way for kids to express themselves and to experience with their creativity. Designing and making a usable item allows them to feel success, building confidence and learn an important skill. Oh, did we mention it's fun, too? Campers will be hand sewing and learning the basics of a Sewing Machine. (Supervised)
